

Governor Daugaard Presents

WORKFORCE SUMMIT REPORT

Gov. Dennis Daugaard and the Workforce Cabinet recently hosted six regional Workforce Summits. Over 1,000 people from across South Dakota provided input about our workforce needs.

Please join Gov. Daugaard at these public meetings as he:

- ▲ Shares the final report with the findings and results of the summits, and
- ▲ Outlines what the business, education, community and government sectors can do next to help create an effective workforce system.
